

- If you have a simple and quick medical problem and you need to see the doctor, we have Quick Sick openings every day but Wednesday.
- Quick Sick is for symptoms like diarrhea, vomiting, runny nose, coughing, ear pain, fever, sore throat, urinary pain, or a new rash.
- You don't need an appointment for Quick Sick. Just walk-in during the hours listed below.
- Quick Sick is offered to established patients only. No new patients.
- The [127 Telfair Street](#) location treats all of the quick sick needs.
- When you arrive during the hours listed below, register at the front desk.
